

SUPPORT

Citrix Appliance Maintenance

Citrix Appliance Maintenance provides unlimited worldwide technical support, latest software upgrades and replacement of malfunctioning appliances to keep your Citrix hardware running optimally.

What is Appliance Maintenance?

Comprehensive support services are essential to ensure high availability and top performance of all Citrix infrastructure components throughout their lifecycle.

Citrix Appliance Maintenance enables you to effectively and efficiently deploy and administer your Citrix networking environment, regardless of your organization's size or complexity.

This allows you to achieve the greatest returns from your Citrix investment.

Why Citrix Appliance Maintenance?

- Unlimited worldwide support, contacts and incidents
- Access to new product features, updates, enhancements and fixes
- Replacement of malfunctioning appliances
- 4 levels of support Gold Plus, Gold, Silver and Bronze
- Support tools and knowledge resource access

Note: App Delivery and Security subscription customers are now covered by Customer Success Services (CSS) Programs and Return Material Authorization (RMA) add-on options. Please review the [CSS program page](#) for more details.

Making Support Easy

“We get very good support from our Citrix Support team. They work closely with us and respond to our Citrix ADC issues/questions with good info and attention. They're easy to reach and easy to do business with.”

– Engineer, Global 500, Computer Services
