# Configuring Skills Base

Configuring Skills Base for single sign-on (SSO) enables administrators to manage users of Citrix ADC. Users can securely log on to Skills Base by using the enterprise credentials.
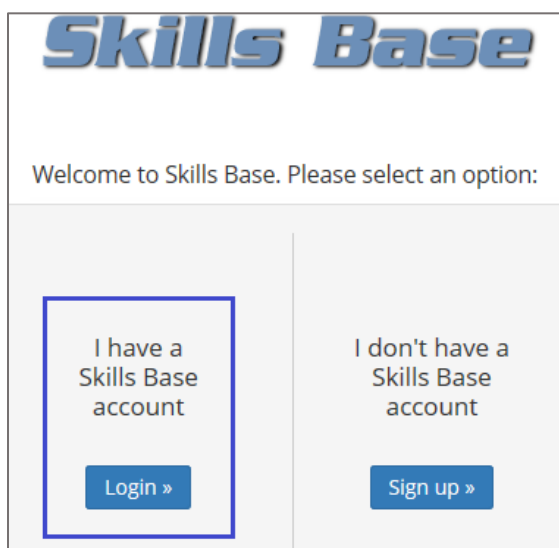

Prerequisite

Browser Requirements: Internet Explorer 11 and above
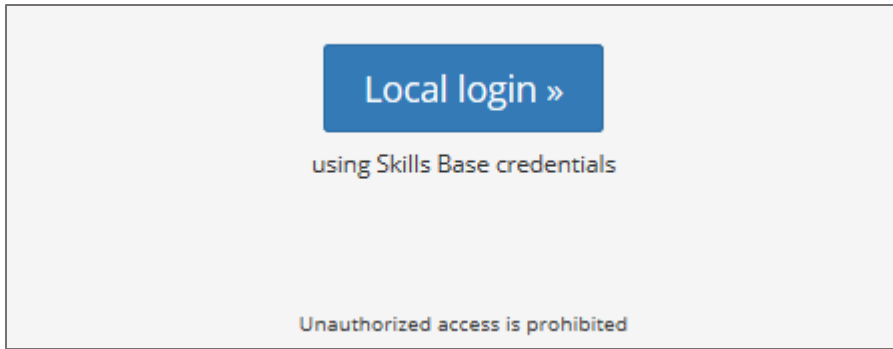

To configure Skills Base for SSO by using SAML:

1. In a browser, type https://app.skills-base.com/o/<customer_domain> and press **Enter**.

2. Click **Login** present at the top-right corner of the screen.
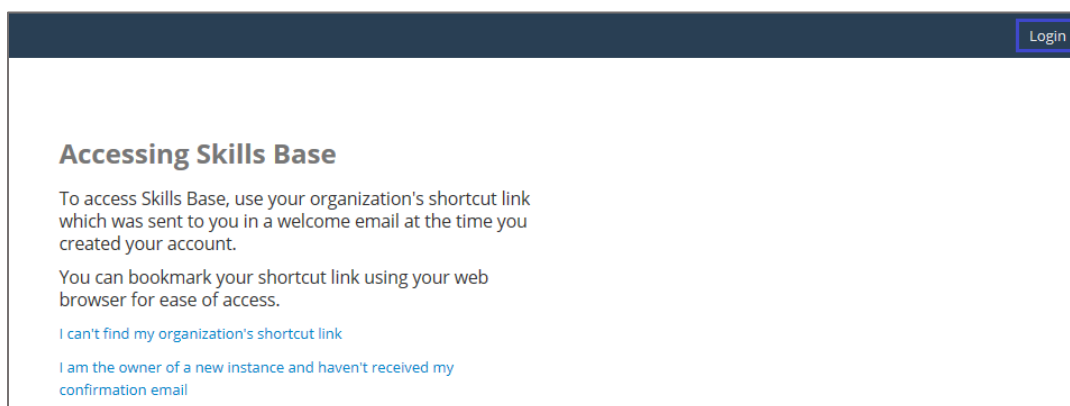

3. Click **Login >>** in the **I have a Skills Base account** tile.

4. Click **Local login >>**.

5. Type your Skills Base admin account credentials (**Email** and **Password**) and click **Login**.

6. In the left panel, scroll down and click **Authentication** under **ADMIN**.

7. In the **Authentication** page, enter the values for the following fields:

Field Name	Description
Single Sign-On	Select **SAML 2** from the drop-down list.
IdP Metadata	Copy and paste the IdP metadata. **Note:** The IdP metadata is provided by Citrix and can be accessed from the link below: https://ssb4.mgmt.netscalergatewaydev.net/idp/saml/templatetest/idp_metadata.xml

8. Finally, click **Save**.
